To

Avinash Tambewagh,

Head – Advanced Testing Division,

TCR Engineering Services Pvt. Ltd.,

Navi Mumbai.

Dear Avinash,

We, the Faculty on the behalf of Rustomjee Academy for global careers heartily thank you for the valuable time that you have spent in spite of your tight schedule. Our students learnt a lot from the visit such as the use of metallurgical microscope, the micro structures of different materials and so on. It was not only a learning experience for the students but for the faculty members as well.

You were very humble and patient and taught the concepts in detail which showed your interest and passion towards sharing knowledge.

We feel that the visit would have brought interest and enthusiasm in the minds of the students towards the field of Material Science.

Thanking you once again for your time & consideration.

With Regards,

Sunil Patil
