Failure of Boilers and Related Equipment

Paresh Haribhakti and P.B. Joshi, TCR Advanced Engineering Pvt. Ltd.

The opening of the chapter as ASM International printed it. The body of the article is not reproduced on this page.

This page exists to record authorship, and nothing more. ASM International holds copyright in the chapter, so its text is not reproduced here: the page was cut at the rule ASM prints under the authors' names, and the three columns of body text and the figure below that rule were never rendered into this file. Readers who want the article should buy it from ASM International, which is where it belongs.
