Kind Attention: Mr. Paresh Haribhakti.

Subject: Appreciation for Technical Support and Engineering Services.

Dear Mr. Paresh Haribhakti,

We have been regularly engaging TCR Advanced Engineering Pvt. Ltd. for various engineering investigations, metallurgical assessments, failure analysis, material characterization, NDT and reliability-related testing activities. The technical services rendered by your organization have been immensely valuable in helping us understand complex failure mechanisms, improve product reliability, and support critical engineering decisions.

We sincerely appreciate the professionalism, technical competence, responsiveness, and commitment demonstrated by your team throughout our association. The quality of testing, thoroughness of analysis, and clarity of reporting have consistently met our expectations and contributed significantly to the successful execution of our projects.

We would also like to acknowledge the valuable support provided by your technical team, whose expertise and customer-focused approach have enabled timely resolution of complex engineering challenges. The dedication shown by the TCR team reflects a strong culture of excellence and continuous improvement.

We value our partnership with TCR Advanced Engineering Pvt. Ltd. and are confident that you will continue to provide the same level of excellence and support in the future.

Thank you once again for your outstanding contribution and continued support.

Yours sincerely,

For Wabtec Corporation
