

SAFETY IS A CONDITION OF THE WORK

TCR runs a proactive risk-aversion approach to safety, for its own people and for the clients whose plants it works in. TCR has recorded, since its inception in 1973, no major lost-time incident arising out of health, safety or environmental causes.

TCR Engineering Services, India: Transparency. Competence. Reliability.

Materials testing, non-destructive testing and asset integrity. Established 1973, Navi Mumbai.
